Statement Before the Congressional Steel Caucus Annual State of Steel Hearing

March 28, 2017 **Bryan Clark**

Resources: Budget & Resources

Congressional Steel Caucus Chairman Tim Murphy (R-PA) and Vice Chairman Pete Visclosky (D-IN) hosted the Steel Caucus annual hearing, “America Rebounding: Steel in 2017 and Beyond.” The purpose of the hearing was to provide Members with the opportunity to ask questions and hear directly from steel industry stakeholders on the role steel is likely to play in national infrastructure projects under discussion, as well as other policies and developments impacting the success of the domestic steel industry.
