Resources: Strategy & Policy

For nearly two decades, the Center for Strategic and Budgetary Assessments (CSBA) has provided consistent, high-quality, and innovative research on defense strategy, budgets, and the security environment. CSBA experts have worked to analyze U.S. defense strategy, force structure and planning, and defense budgets in the effort to reconcile these interrelated subjects. CSBA remains instrumental in guiding the nation's most critical defense policy debates as a small, powerful group comprising experts with extensive experience in the field of national security—many of them military veterans and former senior level policy makers from the Department of Defense, State Department, and the National Security Council—supported by a dedicated staff of accomplished executives and scholars.
