

# CSBA

Center for Strategic and Budgetary Assessments

## Publications

"Nobody does defense policy better than CSBA. Their work on strategic and budgetary topics manages to combine first-rate quality and in-depth research with timeliness and accessibility—which is why so many professionals consider their products indispensable." – *Gideon Rose, Editor of Foreign Affairs, 2010-2021*

### STUDIES

#### **More of the Same? The Future of the Russian Military And Its Ability to Change**

March 18, 2024 | **Katherine Kjellström Elgin**

Assessing the type of threat that Russia is likely to pose in the aftermath of the war in Ukraine is a critical challenge for the United States and its allies. What will the Russian military look like in the

### STUDIES

#### **Speeding Toward Instability? Hypersonic Weapons and the Risks of Nuclear Use**

May 1, 2023 | **Evan B. Montgomery, Toshi Yoshihara**

Today, states are pursuing an array of supposedly "disruptive" or "game-changing" technologies that could alter how they organize, train, equip, and employ their forces, including their nuclear forces.

## STUDIES

### **Air Power Metamorphosis: Rethinking Air Force Combat Force Modernization**

March 10, 2023 | **Christopher J. Bowie**

For the past three decades, Chinese leadership has closely studied the United States' power projection capabilities and concept of operations. Consequently, the People's Liberation Army (PLA)

## STUDIES

### **Which Way the Dragon? Sharpening Allied Perceptions of China's Strategic Trajectory**

August 6, 2020 | **Ross Babbage, Jack Bianchi, Julian Snelder, Toshi Yoshihara, Aaron Friedberg and Nadège Rolland**

Given the rapid pace of change throughout Asia in recent decades, assessing China's longer-term trajectory—and that of the Indo-Pacific region as a whole—represents a huge challenge for defense

## STUDIES

### **Mosaic Warfare: Exploiting Artificial Intelligence and Autonomous Systems to Implement Decision-Centric Operations**

February 11, 2020 | **Bryan Clark, Daniel Patt, Harrison Schramm**

The United States is increasingly engaged in a long-term competition with the People's Republic of China (PRC) and the Russian Federation—a competition in which U.S. defense leaders and experts
