## **Air and Missile Defense at a Crossroads: New Concepts and Technologies to Defend America's Overseas Bases**

October 3, 2018 | **Mark Gunzinger, Carl Rehberg**

Resources: Future Warfare & Concepts

Mark Gunzinger and Carl Rehberg address how DoD could take advantage of mature technologies to develop higher capacity and more cost-effective air and missile defenses for its overseas bases. It assesses the potential for a layered, distributed defense that integrates multiple new non-kinetic and kinetic systems to defeat salvo attacks.
