Stealing a March: Chinese Hybrid Warfare in the Indo-Pacific; Issues and Options for Allied Defense Planners

July 24, 2019 | **Ross Babbage**

Resources: Strategy & Policy

Volumes 1 & 2: Stealing a March: Chinese Hybrid Warfare in the Indo-Pacific: Issues and Options for Allied Defense Planners examines Beijing's hybrid warfare campaigns, their origins, means and modes, level of success and possible future shape. It also assesses the primary options for U.S. and allied counter-strategy.
