## Taking Back the Seas: Transforming the U.S. Surface Fleet for Decision-Centric Warfare

Event Date: January 29, 2020

Time: **11:30 am – 1:00 pm**

Location: CSBA 1667 K Street NW, Suite 950 Washington, District of Columbia 20006 United States

Related Experts: Bryan Clark, Timothy A. Walton

Join us on 29 January at 11:30 AM as **Acting Secretary of the Navy, the Honorable Thomas B. Modly**, shares his thoughts on the future of the U.S. Navy and its surface force. During the event, Bryan Clark and Timothy A. Walton will also discuss their new CSBA report: **Taking Back the Seas: Transforming the U.S. Surface Fleet for Decision-Centric Warfare** (<https://csbaonline.org/research/publications/taking-back-the-seas-transforming-the-u-s-surface-fleet-for-decision-centric-warfare>).

Lunch will be served at the event, and the event will be on-the-record and open to the media. Please register to attend the event below.

Our CSBA authors are available for interviews. To arrange, contact William Bodie, 202.719.1358 or [bodie@csbaonline.org](mailto:bodie@csbaonline.org).
