COVID-19 Analysis and Policy Implications

April 7, 2020 | **Harrison Schramm, Kevin A. Chlan, Peter Kouretsos**

Resources: Strategy & Policy

The novel Coronavirus-19 is currently impacting all facets of American life. In this report, CSBA Senior Fellow Harrison Schram, Federal Executive Fellow Kevin Chlan, and Research Analyst Peter Kouretsos characterize both the immediate and long-term policy implications of this pandemic, with a focus on how it will impact today's U.S. Department of Defense as well as future American military capabilities.
